

The background of the entire image is a composite of three scenic views of Sri Lanka. The top half shows a massive, craggy rock formation (Adam's Peak) rising from a lush green valley. Below this, a wide waterfall cascades down a rocky cliff into a pool of water. The bottom half of the image shows a tropical beach with turquoise water, white sand, and several palm trees. In the foreground of the beach scene, a man wearing a white turban and an orange dhoti is perched on a vertical wooden pole, holding a long rope that extends towards the water. A stone fortification is visible on the left side of the beach.
